

BRITISH NATURALISTS' ASSOCIATION

Lincolnshire & Nottinghamshire

Field Meetings | 2017

Saturday the 23rd of April Upper Teesdale National Park

Cowgreen Reservoir, Weardale, DL12 0HX.

(Rare orchids and other plants)

Toilet at site, but no other facilities. Take packed lunch, walking boots, and winter coats.

Meet at King and Miller Retford, Notts, at 8.30 am prompt.

We will also be arranging presentations and workshops lead by expert naturalists as well as short courses for members. These activities will cover various aspects of natural history, field skills and biological communication topics such as wildlife photography.

Further details to follow.
